

Implementation of FONTAGRO's 2020-2025 Knowledge Management and Communication Plan

UNITED STATES

 Webstory

The technological solution

Institutional events were organized to discuss strategic topics, knowledge management and communication, disseminate new technologies, and reward successful initiatives; in addition, training workshops were held for researchers, project leaders, and communicators.

Results

FONTAGRO ha impulsado diversas iniciativas para mejorar su gestión de conocimiento y comunicación en pro de la agricultura sostenible en América Latina y el Caribe. En su 25° aniversario, organizó un evento internacional que promovió alianzas, visibilidad y destacó innovaciones en bioeconomía. Además, implementó talleres de capacitación en escritura de proyectos, artículos científicos y GCyC. En 2024 llevó a cabo el IV Concurso de Casos Exitosos en agricultura familiar, reconociendo proyectos sostenibles e innovadores en la región.

Description

FONTAGRO, in its effort to promote sustainable development and innovation in agriculture in Latin America and the Caribbean, has undertaken a series of initiatives to update and improve its knowledge management and communication strategies.
